Adult & Child Mental Health Center Home based Counseling - Johnson County

86 Drake Road Franklin Indiana 46131

Phone: 317-736-7744 **Fax:** 317-738-4694

Website: <http://www.adultandchild.org>

CEO: Allen Brown **Referral Contact:** Christa Nims
Referral Email: referrals@adultandchild.org **Population Served:** Males & Females **Ages:** Infant, Child, Adolescent, Adult **IQ Range:** Open **Client Best Served:** We serve children/youth/families referred by either the Department of Child Services or Juvenile Courts. This team serves families residing in Johnson County. **Treatment Focus/Area of Specialization:** We provide a blend of home-based mental health and child welfare services to our families. We deliver intensive wrap-around services from multi disciplinary teams which include therapists, case managers, and skill development specialists. Our goal is to assist children to remain safely in their home or to facilitate the reunification process. We specialize in working with families who are dealing with the effects of mental illness, addictions, sexual abuse, disabilities and who have children with severe emotional disturbance. We utilize a combination of evidence based practices models to provide the most effective treatment and child welfare services. **Accept Parolees:** Yes **Average Length Stay:** 6-9 months **Accreditation:** Joint Commission **Outcome Project Participant:** Yes **Accept Private Placement:** Yes **Per Diem:** We have a contract with the State of Indiana to provide these services to children and families involved in either the child welfare or juvenile system. We are a Medicaid provider, we deliver either Clinic Option services or Medicaid Rehab Option (MRO)services.

Adult & Child Mental Health Center Therapeutic Foster Care

603 E. Washington Street Indianapolis IN 46204

Website: <http://www.adultandchild.org>

CEO: Allen Brown **Referral Contact:** Kayla Thomas
Referral Email: fosterreferrals@adultandchild.org **Population Served:** Males & Females **Ages:** 0 - 18 **IQ Range:** Open **Client Best Served:** We serve children with a wide variety of mental health needs; emotional, behavioral and psychiatric challenges. We also care for children with physical health needs, medically fragile children and developmentally delayed children. **Treatment Focus/Area of Specialization:** We provide innovative clinical care, including psychiatric care, medication management, psychological evaluation, wrap-around services and therapy to address issues related to all forms of abuse, neglect, emotional/behavioral disorders for the children in our homes. We strive to provide excellent

customer service to our referral sources and families by maintaining caseloads with 7 to 10 children for each case manager to ensure that the needs of all parties involved with the child are met. **Accept Parolees:** Yes **Average Length Stay:** 9 months **Accreditation:** Joint Commission Accredited **Outcome Project Participant:** Yes **Accept Private Placement:** Yes **Per Diem:** Rates vary based on the needs of the child. Please call for rates.

Anderson Center at St.Vincent Anderson Regional Hospital

Adolescent Residential Treatment Program

2210 Jackson Street Anderson Indiana 46106

Phone: 765-646-8444 / 800-435-9143

Fax: 765-646-8462

Website: <http://www.stvincent.org/andersonregional>

Exec Dir: Marion Teixeira **Referral Contact:** Christy Lanane **Referral Email:** Christine.Lanane@stvincent.org
Population Served: Males & Females **Ages:** 11 - 18 **IQ Range:** 70 and above **Client Best Served:** Adolescents ages 11-18 years who are unable to function in a less restrictive environment. The PRTF is a comprehensive service that addresses both mental and addiction issues. **Treatment Focus/Area of Specialization:** The RTF offers a multidisciplinary approach to treatment. Healthcare professionals including psychiatrists, nurses, clinical social workers, behavioral counselors, mental health assistants and educators work together to develop individual patient treatment plans which include individual, group, and family therapies. Residents attend school on grounds. Most importantly this structured program will utilize behavioral modification techniques, in conjunction with insight-oriented approaches, to help the adolescent cope with emotional and behavioral treatment issues and to develop the skills needed to succeed in a less restrictive environment. **Num Clients Per Living Unit:** 15 **Awake Night Staff:** Yes **Staff/Client Ratio:** 1:4 **Title IV-E Approved Rate:** Yes **Accept Parolees:** Yes **Average Length Stay:** 3-12 months **Accreditation:** JCAHO **Outcome Project Participant:** Yes **Accept Private Placement:** Yes **Per Diem:** Please call for rates

Client Best Served: Campagna Academy's private secure program (Oasis) is designed to serve youth with extreme emotional, behavioral, and psychological problems that need a highly-structured therapeutic environment. Children and youth often arrive suffering from trauma-related stress/anxiety, aggression towards themselves or others, and defiant behaviors. **Treatment Focus/Area of Specialization:** Campagna Academy provides treatment with individual, family, and group therapy, including Dialectical Behavior Therapy (DBT). We provide individualized on-site education, substance abuse treatment, anger management training, plus other psycho-educational programs. Residents receive psychiatric services as needed and are continually reassessed for readiness to move to less-restrictive living. Our state-of-the-art treatment facility resembles an on-campus dorm and includes four on-site classrooms, a computer lab, family visitation rooms, fitness center, and offices for therapists. Private insurance is also accepted for this program. The greenhouse initiative on our campus gives these youth opportunity to grow/harvest vegetables and learn job-related skills. **Num Clients Per Living Unit:** 12 **Awake Night Staff:** Yes **Staff/Client Ratio:** 4:1 **Accept Parolees:** Yes **Average Length Stay:** 6-9 months **Accreditation:** COA and CARF **Outcome Project Participant:** Yes **Accept Private Placement:** Yes **Per Diem:** \$333.22

Community Services Program

2290 South Theobald Lane Vincennes Indiana 47591

Phone: 812-886-3000 Fax: 812-886-3010

Admin: Barb Tilly **Referral Contact:** Tucker Smith
Referral Email: tsmith@swyouthvillage.com **Population Served:** Males **Ages:** 14 - 18 **IQ Range:** 70 and above **Client Best Served:** Male youth ages 14-18 who are at risk of harm to self or others as the result of conduct disorder, criminogenic risks, anger, distorted thinking patterns, and related mental health issues. **Treatment Focus/Area of Specialization:** Community service, military framework, and servant leadership model. Treatment plans are dynamic in responding to individual therapeutic readiness, motivation, and progress. The phases of treatment begin with building (1) alliance with the therapeutic team, (2) awareness of a problem, (3) readiness for change. Individual, group and family therapies focus on cognitive restructuring of distorted thinking patterns, anger responses, depression, mania, anxiety, trauma, and substance use. The final phase focuses on generalization of learned skills into a post-release setting. Evidence-based models include Motivational Interviewing, Trauma-Focused Cognitive Behavioral Therapy, Moral Reconciliation Therapy, Aggression Replacement Training, and the Matrix Model. **Num Clients Per Living Unit:** 10 **Awake Night Staff:** Yes **Staff/Client Ratio:** 8:1 **Title IV-E Approved Rate:** Yes **Accept Parolees:** Yes **Average Length Stay:** Based upon Treatment Plan. **Accreditation:** Joint Commission Accreditation **Outcome Project Participant:** Yes **Accept Private Placement:** Yes **Per Diem:** Please call for rates.

Population Served: Females **Ages:** 12 - 20 **IQ Range:** 75 and above **Client Best Served:** Females ages 12-20 with disruptive behaviors, emotional and psychiatric issues. Youth requiring a highly structured setting will best benefit from our evidenced-based DBT treatment program. **Treatment Focus/Area of Specialization:** Locked, residential Dialectical Behavioral Therapy, DBT treatment

for females engaging in self-harming behaviors, females who have had trauma, low-self esteem, secondary eating disorders and co-occurring substance abuse issues.

South Shore's full DBT Immersion program seeks to validate feelings and problems. It balances acceptance by challenging residents to make productive changes. It works because clients can manage their issues without resorting to self-defeating behaviors. Parent DBT education classes and support groups are done weekly. South Shore also offers a secure web-cam for families and professionals to attend meetings in person. **Num Clients Per Living Unit: 15 Awake Night Staff: Yes Staff/Client Ratio: 1:4 Title IV-E Approved Rate: Yes Average Length Stay: Case-by-case basis Accreditation: JCAHO Outcome Project Participant: Yes Accept Private Placement: Yes Per Diem: Rates are set by state and managed care contracts**

Exec Dir: Sharon Pierce **Referral Contact:** Jennifer Julian
Referral Email: jjulian@villages.org **Population Served:** Males & Females **Ages:** Infant, Child, Adolescent **IQ Range:** Open **Client Best Served:** Services are available for eligible children and youth with serious emotional and behavioral challenges in order to allow the children to remain in their homes and communities while receiving treatment. **Treatment Focus/Area of Specialization:** Each child and their family receive an individualized intensive treatment plan that is culturally competent and community-based. The plan is family-driven so that objectives are defined that respond to goals identified at the beginning of the treatment process. Wraparound services combine formal supports in the community in which the child and family reside in order to increase the family's natural support systems. These supports are "wrapped around" the youth and family to achieve treatment goals. The Villages provides these services as a part of Indiana's Wraparound for Children's Mental Health program. **Average Length Stay:** Based on need. **Accreditation:** COA **Per Diem:** Please call for rates.

Exec Dir: Beth Gulino **Referral Contact:** Angel Metro
Referral Email: Ametro@whittington.org **Population Served:** Males & Females **Ages:** 0 - 5, 18 - 100 **IQ Range:** 40 - 140 **Client Best Served:** Child-Parent Psychotherapy (CPP) is an intervention model for children aged 0-5 who have experienced at least one traumatic event and/or are experiencing mental health, attachment, and/or behavioral problems, including posttraumatic stress disorder (PTSD). **Treatment Focus/Area of Specialization:** The treatment is based in attachment theory but also integrates psychodynamic, developmental, trauma, social learning, and cognitive behavioral theories. Therapeutic sessions include the child and parent or primary caregiver. The primary goal of CPP is to support and strengthen the relationship between a child and his or her caregiver as a vehicle for restoring the child's cognitive, behavioral, and social functioning. Treatment also focuses on contextual factors that may affect the caregiver-child relationship (e.g. cultural norms and socioeconomic and immigration-related stressors). **Accreditation:** SAMHSA-Evidenced based model
